Re: CLC: 1920's Cotton Club for Cancer Research

Friends and Family,

Please accept this letter as a sincere thank you for your donation for the "1920's Cotton Club for Cancer Research" Event. 100% of the ticket price will be made as a donation to Cancer League of Colorado, a Colorado based, all volunteer non-profit. Donations such as these help fund the mission-- the cure or ultimate control of cancer.

Each year the requests for service and research grants far outnumber the funds raised. With each donation, we are sure that we are one step closer to a cure!

This letter may also serve as your tax receipt, please consult a tax advisor about all donations. Cancer League of Colorado is a 501 (c) 3 organization with no overhead, 100% of the monies raised at the events fund CLC's grant program, and all the funds stay here in Colorado. Please feel free to call Laura Fiemann, Treasurer, if you have any questions at 303-296-6500.

As anxious as we are to determine the net proceeds which were raised at the event, we are excited to say that we are continuing to receive additional contributions through employee/company matching and mail in donations. Between money raised for Cancer League of Colorado and the "Friends & Family Medical Coverage" for Jason Livingston, we will be close to reaching \$26,000!

We sincerely thank you for making a tremendous difference not only in our lives, but so many to follow. There is no better way to celebrate our journey!

To a healthy beginning,

Jill and Jason Livingston
